Annual Public Notice

In accordance with USDE Guidelines IV-O, Title VI: 34 C.F.R. § 100.6 (d) this notice shall serve to advise students, parents, employees and the general public that all Career and Technical Education opportunities in The South Hunterdon Regional School District (SHRSD) will not discriminate in employment, educational programs, or activities based on race, color, national origin, age, sex, or disability status. The admission and criteria for selection in career and technical education programs do not restrict any race, color, handicap, creed, national origin, marital status or financial hardship from participation in SHRSD career programs.

During this academic school year, SHRSD shall offer the following Career and Technical opportunities as described in the SHRSD's Program of Studies and made available online at www.shrsd.org, including the following:

- The career education mandate is met through a variety of activities within the general education curriculum, and are aligned with the 21st Century Life and Careers Standards adopted in 2014
- Approved career and technical education programs of studies in the Agricultural cluster (i.e. Animal Science and Applied Horticultural/Horticultural Operations)
- Delaware Valley University, Rutgers University, SUNY partnerships
- Off campus vocational opportunities through Polytech Vocational School

SHRSD's career and technical education programs are offered to all students regardless of race, color, national origin, gender or disability. In addition, the SHRSD will take steps to assure that lack of English language skills will not be a barrier to admission or participation in vocational education programs.
