Art - **PLEASE READ!**

Due to concerns over the use of communal supplies, Ms. Florek and Ms. Krickovic are requesting that personal "packs" of supplies be created to minimize sharing. You will notice two lists of "specialty supplies" for ALL NKMS art classes. One list contains more advanced-level supplies (slightly more expensive) and the other is for less expensive, more generic supplies. This has been designed to provide families with options - EITHER list is acceptable for students! Items may also be mixed and matched from both lists.

Ms. Florek and Ms. Krickovic will also be putting together "starter packs" of supplies to help subsidize the costs of materials for the 2020-2021 school year. **Starter packs will include No 2 pencils, pink erasers, pencil sharpeners, glue sticks, black sharpies and scissors.** These materials will be distributed at the beginning of the school year. All other materials below should be purchased and are required. If you have any questions, concerns or financial needs pertaining to the supply lists, please email eflorek@nkcps.k12.va.us or hkrickovic@nkcps.k12.va.us
