

Patrick Springs Primary School
After School Tutoring
September 2015

Dear Parent(s) and/or Guardian(s):

We are excited to offer your child the opportunity to receive services in our after school tutorial program this year. The purpose of this program is to strengthen skills in preparation for mastery of the Standards of Learning (SOL) objectives. This is not a time for students to do their homework, but rather a time to review and strengthen curriculum objectives that have been taught.

As you are aware, students in grades three a will be taking the SOL tests in language arts, and mathematics in the spring of 2016. History/social science and science end of grade project based assessment tests will be given at the division level this year as well. This is a change from past years. We are fortunate to be able to offer tutoring for the third grade students that are taking SOL tests this year as well as our second grade students who will test next year.

This program will involve an instructional session, which will be held on Thursday's beginning on Thursday, October 15, 2015. **We are going to start with one tutoring day a week.** The sessions will begin at 3:00pm and end at 4:30pm. Tutoring days will be on Thursdays on October 15, 29th. There will be no tutoring on October 22nd as it is an early leave day for students. November dates include, November 5, 12, 19. December dates will include December 3rd and 10th. Look for tutoring days on the school calendar and website.

We request that you complete the bottom portion of this letter and return it to school to help us prepare for your child (ren). As we work together, I encourage you to support this free intervention program to help ensure the success of your child.

Sincerely,
Jeannie T. King
Principal

Please complete this form and return to school by September 28, 2015 for planning purposes. Thank you!

Student Name _____ Grade _____

Teacher _____ Strongly Advised _____

Optional _____

Telephone # where parent may be reached during session _____

Emergency Contact _____ Phone # _____
