HSHM MESSAGE

On behalf of the HSHM family, we would like to welcome you to the 2021-22 School Year. We are excited to have you back in person. We look forward to this year and ensuring the ongoing development and safety of your child.

SAFTEY PROTOCOLS

- Every student and staff member must complete the Health Screening Form prior to entering the school building each day
<https://healthscreening.schools.nyc/>
- NYC DOE will provide PPE to all schools
- Students and staff will be required to wear mask at all times, except during lunch, regardless of vaccination status, unless they have a medical exemption.
- The CDC recommends schools maintain at least 3 feet of physical distance between students within classrooms. Whenever possible
- Every classroom across New York City has been provided with two HEPA purifiers.
- Ten percent of unvaccinated individuals who have submitted consent for testing in their school will be tested biweekly.
- It is important that you provide consent for your child to participate in the in-school testing program. You can fill out the form in your NYC Schools Account (NYCSA), or download the form online
- In the event there is a positive case in a classroom, students who are:
 - Vaccinated, and not showing symptoms will continue to attend school in-person. Out of an abundance of caution, these students are encouraged to take a COVID-19 test 3 to 5 days after exposure.
 - Vaccinated, and showing symptoms will be directed to quarantine for 10 calendar days. *These students will have access to remote learning while quarantining.*
 - Unvaccinated will be directed to quarantine for 10 calendar days. These students will continue their learning remotely. On day 5 of their quarantine, students may take a COVID-19 test, and with a negative result, return to attending school in-person after day 7.

HSHM Policy

Cellphones are not to be used during school hours. At the beginning of the school year, every student will be assigned a personal Yondr Pouch with an ID Number, similar to being assigned a textbook. While the Yondr Pouch is considered school property, it is each student's responsibility to bring their pouch with them to school every day. Help us create a distraction-free environment so our students can develop the necessary social and learning skills to be engaged, positive contributing members of our community.

Please contact Mr. McHale, Dean, at (212) 586-0963 with any questions.

HSHM will continue to use canvas learning platform. CANVAS allows students to access all of their courses, submit assignments, participate in discussions, view grades, course calendars, and course materials, all in one platform. Parents remember to sign up to be an observer on your child's account ASAP. See instructions on HshM.info

To ensure better communication with our parents and guardians, we will communicate through OPEROO! The Operoo system makes it very easy for you to request a metro card when lost, respond to school forms, field trips, surveys and other consent forms using your mobile phone, tablet or PC. Reduced paperwork!

To ensure our students and families are receiving the most up to date information we will continue updating our schools Website.
