

Canutillo High School

Canutillo High School boasts a long rich history. The new campus opened its doors to students in January 2006 with a capacity of 1,800 students. CHS promotes college readiness for all of its students, while also paying special attention to career preparedness. The proposed 2021 CISD bond, if passed, will provide a new career and technology education building on campus to house science, technology, engineering and math and health science programs, providing additional space and resources needed for students and teachers. The campus will also receive security upgrades, campus maintenance and improvements.

Deferred Maintenance at Canutillo High School ≈ \$10,538,125

Future Projects at Canutillo High School ≈ \$9,435,000

Total Estimated ≈ \$19,973,125

<i>CTE Building</i>	\$8,700,000
<i>Canopies</i>	\$35,000
<i>Baseball Lights</i>	\$700,000

FUTURE PROJECTS

Total Estimated New Projects ≈ \$9,435,000

Site Improvements \$2,882,318

- Asphalt Paving repairs
- Asphalt restriping
- Parking lot standardized signage
- Exterior eating area improvements
- Replace damaged fences
- Replace damaged gates
- Site regrading
- Reinforce retainig walls
- Repair play courts
- Replace play courts fences
- Baseball and practice fields upgrades
- Provide additional practice fields
- Track resurfacing
- Dumpster ramp
- Provide additional parking

Site Utilities \$17,806

- Trench drain upgrades
- Utility shut-off valves

Exterior Windows	\$102,899
<ul style="list-style-type: none"> • Replace storefront seals • Replace aluminum window frame gaskets • New window blinds 	

Exterior Doors	\$255,985
<ul style="list-style-type: none"> • Replace door thresholds and weather seals • Renovate entry to provide secure lobby/reception area 	

Total Estimated Exterior ≈	\$3,259,008

<ul style="list-style-type: none"> • Electrical control panel safety covers 	

Total Estimated Specialties ≈	\$365
--------------------------------------	--------------

PLUMBING

Plumbing Piping

- Install pressure reducing valves
- Replace science classroom utility control modules

\$130,154

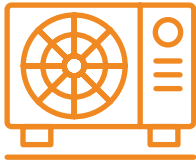

Plumbing Fixtures

- Drinking fountains
- Prep rooms sinks
- Private shower stalls and drain system
- Lavatory fixtures
- Electric water heater replacement
- Gas water heater replacement

\$338,933

Total Estimated Plumbing ≈

\$469,087

A/C

HVAC Equipment

- Geothermal system repairs
- Provide Air Exchange System
- Science lab fume hood
- Replace existing kiln exhaust system
- Ag Lab air exchange system
- Replace evaporative cooler with refrigerated system
- HVAC units replacement
- Replace gas furnace unit
- Upgrade HVAC controls
- Provide vented exhaust for electrical rooms

\$3,279,703

Total Estimated A/C ≈

\$3,279,703

ELECTRICITY

Electrical Distribution

- Classroom electrical outlets

\$155,407

Electrical Lighting - 23

- Auditorium stage lighting upgrades
- Dimmer control switches
- LED upgrades
- Replace canopy fixtures

\$846,437

Total Estimated Electricity ≈

\$1,001,844

SECURITY

Fire Alarm/ Intercom/ Special Systems

- Fire alarm system replacement
- Security alarm system replacement
- Additional security system cameras
- Bell, clock, and PA system upgrades

\$1,221,786

Total Estimated Security ≈

\$1,221,786
